

Subject: Ceremony Rozenberg and Int.Coll.

Sorry if you receive multiple copies of this message

Dear Colleagues,

on February 14, 2002 the Technical University of Berlin will confer on Prof. Dr. Grzegorz Rozenberg (University of Leiden, The Netherlands and University of Colorado at Boulder, USA) the honorary doctorate Dr. rer. nat. honoris causa.

On this occasion, an International Colloquium on Graph Transformation and DNA-Computing will be held, sponsored by the ESPRIT Working Group APPLIGRAPH (Applications of Graph Transformation) and the Technical University of Berlin.

With this message we would like to invite you to the

ACADEMIC CEREMONY OF AWARDING THE HONORARY DOCTORATE
TO PROF. DR. GRZEGORZ ROZENBERG

by the Technical University of Berlin on February 14, 2002, 15:00 - 18:00
(registration deadline: January 25, 2002, no registration fee)

and to participate at the

INTERNATIONAL COLLOQUIUM ON
GRAPH TRANSFORMATION AND DNA-COMPUTING

organized by ESPRIT WG APPLIGRAPH and Technical University Berlin,
February 14, 2002, 9:00 - 13:00
(registration deadline: January 15, 2002, registration fee: 100 EUR).

The International Colloquium and the Academic Ceremony will take place at
